

AG PROZ

Why AgProz?

WE DO IT ALL

- **Problem:** Each pinpoint represents a farm or ranch that may or may not need your products.
- **Solution:** Gather leads that are more qualified than before.
- Gather info as far as crops and acreage to ensure that you are prospecting the right people.
- Access to information that is not readily available anywhere else.
- Drop pins to leave notes about growers.

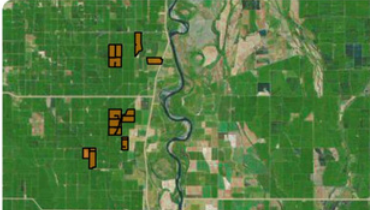

WHAT MAKES US DIFFERENT

- **Problem:** You have no idea who is farming where and how much.
- **Solution:** We open your eyes to thousands of grower's crop types and acreage.
- We are the only sales app that gives you the information you are looking for.
- Allowing you to filter by crops and acres.
- Organizing people by clients and prospects.
- We show you who is managing the farm and the right person to contact.
