

**AG PROZ**

# Why market with AgProz?

## **WE DO IT ALL**

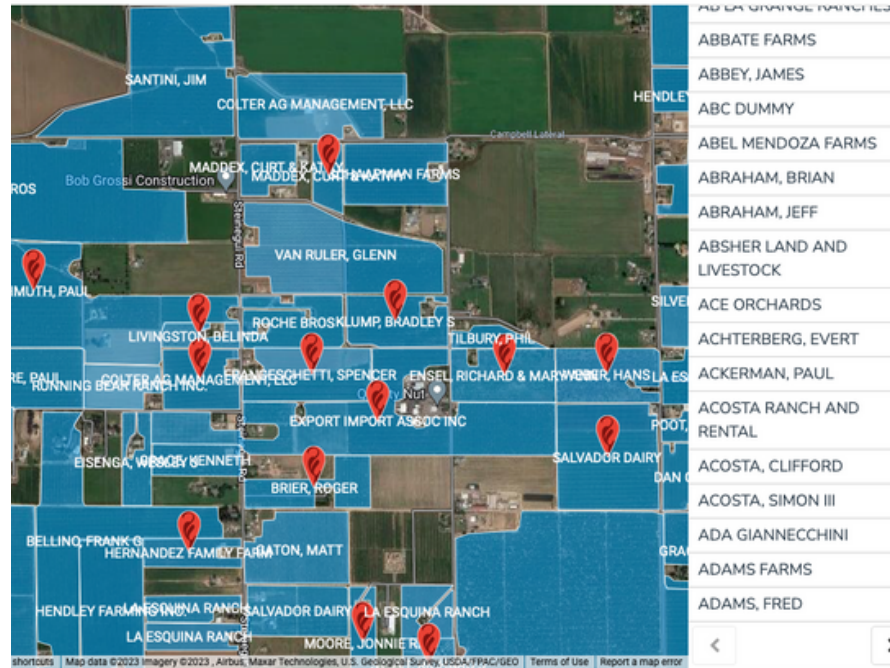

- **Problem:** Each pinpoint represents a farm or ranch that may or may not need your products.
- **Solution:** Reach your specific target market.
- Ensuring that you are only marketing to people that you know need your product or service.
- Reach people more efficiently and effectively.
- We pull specific crops and counties which you want to send marketing pieces.

# WHAT MAKES US DIFFERENT

- **Problem:** Traditional marketing gets lost and it's unknown if you're reaching the correct audience.
- **Solution:** We tie the marketing to a map that allows your sales team to create follow-up by name or location.
- We work alongside you to select the crops and counties you want to market to.
- Target those prospects with direct mailers.

# HOW WE GET CUSTOMERS RESULTS

From the beginning to the end.

- We provide a company consultation.
- Flyer creation - anything from logo to total design.
- List qualification
- Mailing and postage.
- Confirmation of successful delivery.

VINEYARD PRUNING

**“AgProz is a game changer as far as allowing me to directly target farmers who can use my services, instead of waiting to see if they happened to turn to my small ad in a big book!”**

**-Tyler Jolley**

**“I received a phone call within the first 3-4 days.”**

**“The quality is professional.”**
